

Annual REPORT 2023-24

Samoon foundation
(Dedicated to Humanity)

www.samoonfoundation.org

ABOUT

“SAMOON” is a Garhwali word which means giving selflessly, without expecting any returns along with a feeling to be cherished for a lifetime. SAMOON stands for “social and mankind organization of nation”. The Foundation has been built with the aim of presenting the precious SAMOON for humanity.

VISION

We believe in building a nation without hunger, poverty, illiteracy and inequality; where every person enjoys the right to live with dignity.

MISSION

Working together for the deprived to provide them with basic needs of life for basic survival as well as to teach and help them to become self-dependent.

KEY AREAS OF FOCUS

1.	Education Support & Career Guidance
2.	Skill Development & Vocational Training
3.	Community Development & Women Empowerment
4.	Medical Support & Healthcare
5.	Environment & Nature Conservation
6.	Humanity & Human Rights

Ceremony for the Examination Results of the Academic Session 2022-2023 at Samoon Adarsh School, Osla

The examination results for all students of the academic session 2022-2023 were announced at Samoon Adarsh School, Osla, and mark sheets were distributed to the passing students. Students who topped their classes were honored with trophies and medals were presented by their parents to boost their morale and encourage them to work harder and more diligently in their studies. Additionally, admissions for the academic session 2023-24 have begun. The Samoon Adarsh School in the remote village of Osla, Uttarkashi, is being operated with the support of the SAMOON FOUNDATION, where all students are provided with 100% free education, along with free stationery and a uniform.

Date : Saturday, April 1, 2023

Samoon Foundation has launched another 'Samoon Sewing Training Center' in Purwal village, Tehri Garhwal, with the aim of making women self-reliant and independent.

In March, a request was received for opening another sewing and weaving training center in Purwal village, Tehri Garhwal. Considering this, on Saturday, April 1, 2023, five sewing machines along with chairs, tables, and other materials were delivered to the village of Purwal. Additionally, with the aim of making women self-reliant and independent, the Samoon Foundation has launched another 'Samoon Sewing Training Center' in Purwal village, Tehri Garhwal. On May 12, 2023, a formal inauguration of another 'Samoon Sewing Training Center' was held in Purwal village, Tehri Garhwal. However, women from Purwal and nearby villages had already been learning sewing at this center since April. This is the 5th sewing and weaving training center operated by the Samoon Foundation. Previously, hundreds of women and girls from areas such as Tuddangi-Devprayag, Rumdhar-Hindolakhil, Lwah-Chamoli, and Akhodi-Tehri Garhwal have benefited by learning sewing, weaving, and embroidery at similar centers.

The villagers and local residents expressed their happiness and gratitude to the Samoon Foundation for opening the sewing center. They showed eagerness to learn sewing, and more than 25 girls/women have already started learning sewing. Vinita Ji, a trained woman from the village with extensive sewing experience, is providing training to the women of the village. We hope that many more women and girls from the nearby villages will benefit from the sewing and weaving training offered at this center.

Date – Sunday, April 12, 2023

The Vice President of Samoon Foundation, Mr. Vijay Mohan Panyuli, presented a cheque for 11,000 INR to the family of 18-year-old Himanshu Kumar at the Samoon Head Office in Rishikesh. This amount was provided as a small assistance from the Samoon family for his kidney transplant.

Sunday, April 12, 2023

The Vice President of Samoon Foundation, Mr. Vijay Mohan Panyuli, presented a cheque for 11,000 INR to the family of 18-year-old Himanshu Kumar at the Samoon Head Office in Rishikesh. This amount was provided as a small assistance from the Samoon family for his kidney transplant.

Kotdwar, Pauri Garhwal, has been struggling with kidney disease for the past 6 months and has been surviving on dialysis. The doctors have suggested a kidney transplant as the only solution, with an estimated total cost of around 1 million INR. One of Himanshu's parents wanted to donate a kidney to save their son, but due to the family's dire financial situation, raising such a large amount was impossible for them. Himanshu's mother cleans utensils in people's homes, earning a monthly salary of 1,500 INR, and his father works as a laborer.

To assist this poor family, a small amount of financial aid was provided by the Samoon

Foundation. The Vice President of Samoon Foundation, Mr. Vijay Mohan Panyuli gave a cheque to Himanshu's family as support from the Samoon family for his kidney transplant.

Date – Wednesday, April 29, 2023

Once again, financial assistance of ₹20,000 was transferred to Kailashi's account for his treatment.

In the previous financial year 2022-23, the members of the Samoon family had also provided financial assistance of ₹17,000 to Kailashi for medications. Once again, financial assistance of ₹20,000 was transferred to Kailashi's account for her treatment.

Every month, ₹8,000 worth of medications are required for sister Kailashi's treatment, and the impoverished family is not in a position to afford these medications. In view of this, the poor family had sought help from the Samoon Foundation and financial assistance of ₹17,000 for medications was provided to Kailashi in the previous financial year 2022-23 as well.

Kailashi's father is disabled, and there is no one earning in the household. While Kailashi was in the 12th grade, she fell at school one day, which led to her being paralyzed. She is now unable to walk or speak, and her treatment is ongoing in Dehradun.

The Samoon family prays to God for Kailashi's speedy recovery and will continue to make every possible effort to assist her. The Samoon Foundation expresses its gratitude to all the

donors through whom we are able to help those in need, like Kailashi.

Date – Sunday, May 14, 2023

On the occasion of the first birthday of Mr. Sunil Nautiyal's son, Advik (Adi), stationery and sweets were distributed to the students studying at Samoon Adarsh School in Osla village. Mr. Sunil Nautiyal is a respected member of the Samoon family.

Many best wishes were extended to Advik (Adi) on the occasion of his first birthday. He is the son of Mr. Sunil Nautiyal, a respected and esteemed member of the Samoon family who has donated every month for the past 12 years. On this special occasion, stationery and sweets were delivered to the students studying at Samoon Adarsh School in Osla village through the family.

Donating on one's birthday significantly increases the blessings you receive. In earlier times, piety was highly valued, and even the items donated by pious people were considered important. However, in today's materialistic age, piety is lacking among people. During your birthday, you are considered pure and free from any impurity, making it a particularly auspicious time to give donations. Thus, it is highly beneficial to make donations on your birthday whenever possible.

The children studying at SAV-Osla sent many birthday wishes to Advik (Adi).

Date – Sunday, May 14, 2023

The construction work of Samoon Adarsh School building is in progress.

Date – Sunday, May 14, 2023

In the previous financial year 2022-23, land levelling for the construction of the Samoon Adarsh School building was completed. In May, the foundation work began, and the construction of walls started.

The construction work is proving to be more challenging than initially anticipated. Due to the extremely difficult terrain, no contractor or labor is readily willing to work there as there is no mobile network, no electricity, and no road access. Reaching Osla village requires traversing 16 kilometres of rugged, footpaths, along with dealing with severe cold, snowfall, and rainy weather.

Despite offering attractive wages, three contractors rejected our offers. However, the work has restarted and is progressing rapidly. By May 2023, we have invested ₹12 lakh in the construction of the school building.

Although there have been delays, the work is progressing with high quality, and we will soon achieve our goal. The construction of the school building is made possible through the donations and efforts of all the esteemed members of the Samoon family, especially Mr. Ramesh Inderdutt Naithani, to whom we express our deep appreciation and praise.

Date – Thursday, June 1, 2023

Heavy torrential rains, occasional snowfall, hailstorms, biting cold, and the even greater

challenge of a 16-kilometer footpath to the project site, where there is no electricity, no network, no first aid, and no machinery to expedite the work—despite these complex problems, we remain steadfast in our mission for the bright future of the children of Osla village. Gradually, the work on this magnificent temple of Goddess Saraswati is progressing, and the day is not far when the grand building of Samoon Adarsh School will be ready. This has been made possible through the exemplary support of all the esteemed members of the Samoon family, for which you all deserve our deepest gratitude.

Date – Thursday, June 1, 2023

During the two months of heavy rainfall in July and August, all the roads leading to Osla, the last village in Uttarkashi, were completely damaged. As a result, we were unable to transport construction materials to Osla via the 16-kilometer footpath, and were compelled to halt the construction work on the school building.

Date – Monday, September 4, 2023

In September 2023, the rain stopped and the roads cleared, allowing us to resume transporting materials by mule. Therefore, the construction work for the Samoon Adarsh School building has restarted, with the aim of completing it by March of this session so that the school can move into the new building for the next session.

With the special support of Mr. Ramesh Inder Naithani, work is progressing, and so far, ₹20 lakh have been spent. It is estimated that an equal amount will be needed to complete the project, for which Mr. Naithani has assured every possible assistance.

On the occasion of Tobacco-Free Day, the students of Samoon Computer Training Institute organized an art and essay competition to promote awareness and encouraged the avoidance of tobacco use in the community.

Young people are the country's greatest asset, but today, our youth are increasingly afflicted by the serious disease of addiction. Substance abuse has become a habit in the lives of today's youth, and they have become enslaved to it. Therefore, it is our duty to launch widespread awareness campaigns to free the youth from this addiction.

For today's youth, consuming intoxicants such as alcohol, cigarettes, "bidis", opium, and heroin has become a trend. Although de-addiction campaigns are being run to combat substance abuse, the number of addicts has been steadily increasing over the past few years. People are intent on ruining their own futures and that of their loved ones through addiction, so we need to make efforts to overcome this issue.

On May 31, 2023, on the occasion of World No Tobacco Day, the students of Samoon Computer Training Institute organized an art and essay competition to promote awareness and encourage the avoidance of tobacco use in society. In this competition, Miss Jassi Rudhiyal secured the first place and Divya Semwal secured the second place.

Let us come together to build a drug-free society and pledge not to use substances, committing ourselves to eradicate the scourge of addiction from society.

Date – Saturday, June 18, 2023

On June 18, 2023, Sunday, from 8 AM to 12 PM, the Samoon Foundation organized a cleanliness awareness rally and Ganga cleaning drive in Rishikesh. The rally began from Koyal Valley, passed through AIIMS Road, and ended on Bairaj Road. Following the rally, the banks of the river (ghats) were cleaned along Marine Drive (Aastha Path).

Under India's presidency of the G20, the principle of 'Vasudhaiva Kutumbakam' (the world is one family) reflects the essence of Indian culture, which encompasses the welfare of all living beings. Indian culture is renowned for its emphasis on charity and service, teaching us the values of compassion, empathy, and respect for all, and inspiring us to live in peace and harmony.

C20 India 2023 is one of the official engagement groups of the G20, aimed at inspiring people selflessly for social causes and providing a platform for Civil Society Organizations (CSOs) across G20 countries.

Under the banner of C20, the Samoon Foundation is preparing to organize a cleanliness awareness rally in Rishikesh on June 18, 2023, Sunday, from 8 AM to 12 PM. The rally will start from Koyal Valley, passing through AIIMS Road, and ending at Bairaj Road. Following the rally, there will be a cleaning drive along the riverbanks at Marine Drive (Aastha Path). Preparations and outreach efforts are underway to involve as many members as possible.

Under the G20, the C20 engagement group organized by the Samoon Foundation held a cleanliness awareness rally and Ganga cleaning drive on June 18, 2023, Sunday, from 8 AM to 12 PM in Rishikesh. The rally commenced from Koyal Valley, passed through AIIMS Road,

and concluded at Bairaj Road. Subsequently, there was a cleaning drive along the riverbanks (ghats) at Marine Drive (Aastha Path).

Members of the Samoon Foundation team, including Jitendra Jardhari, Kamal Joshi, Vikram Shah, Sita Payal, Surendra Singh Negi, Shanti Prasad Joshi, Rajeshwari Devi, as well as the Rishikesh Municipal Corporation team, UPES University students, local residents, and social workers participated in the event.

The Ganga is not just a river but a glorious symbol of Indian culture. Known by 108 names such as Devnadi, Jahnavi, Vishnupada, and Shivshishdharini, the Ganga was once revered as a sacred river with water considered as "amrit" (nectar). However, today, the Ganga's water is not even fit for drinking. Factories, rivers, drains, and urban waste have polluted the Ganga, and its contamination is increasing day by day.

It is the responsibility of all citizens to collectively maintain cleanliness in our homes, villages, streets, neighborhoods, cities, and workplaces, and to keep the Ganga flowing from our cities clean. This will help present our country as an ideal nation to the world.

By raising awareness about the Swachh Bharat Mission along with the Ganga cleaning campaign, we can certainly protect the Ganga's water from further contamination. This is why we named the campaign "Swachh Bharat Ki Pavitra Ganga" (Clean India's Sacred Ganga).

When the Ganga, flowing with a melodious sound from the mountains, enters the cities, it loses its purity and changes its form. Rishikesh is the first city where the Ganga meets the city, which is why we chose to conduct this cleanliness awareness rally and Ganga cleaning drive in Rishikesh.

Through this cleanliness awareness rally and Ganga cleaning drive, the aim was to raise awareness among people about cleanliness and the importance of cleaning the Ganga, encouraging them to avoid polluting the Ganga and to contribute to making their city clean and beautiful.

The Samoon Foundation team delivered rations to the Kailashi family in their village.

The Samoon Foundation team delivered rations to the Kailashi family in their village. It is important to note that Kailashi's hands and legs stopped functioning after a fall at school, but thanks to the continuous treatment, there has been improvement. Kailashi's father is also disabled, which has made the family's situation dire; they don't even have money to buy rations. Keeping this in mind, the rations were sent.

The Samoon Foundation has also been providing continuous support for Kailashi's treatment—₹17,000 in February and ₹20,000 in April, totalling ₹37,000 in financial assistance so far.

A box of toys sent from Dubai by Mr. Venkataraman (the Pencil Man of UAE) was received for the students of Samoon Adarsh Vidyalaya, Osla School.

A box of toys sent from Dubai by Mr. Venkataraman (the Pencil Man of UAE) was received for the students of Samoon Adarsh Vidyalaya, Osla School. He has been distributing educational materials such as stationery, pencils, uniforms, and books to underprivileged students in various schools across India for a long time. Previously, we also received 1,000 pencils for the SAV-OSLA students from Mr. Venkataraman.

Mr. Venkataraman holds the Guinness World Record for the largest stationery collection for donation within 24 hours, and he is also a member of the Indian Business and Professional Council (IBPC) in the United Arab Emirates.

The management and students of the Samoon Adarsh Vidyalaya, Osla family express their heartfelt gratitude for this noble work.

A cheque of ₹11,000 was provided for Vikas's medications after he suffered fractures in both legs due to a road accident. Additionally, two months' worth of rations was provided, and Pihu's school registration was renewed, along with payment of the outstanding fees.

Tuesday, July 11, 2023

In Kathud Village, Patti Sitonsyun, block and district Kot, Pauri Garhwal, Vikas Kumar was working as a driver while living in a rented room in Rishikesh, supporting his family. On March 3, 2023, while returning from Gadankhal after dropping off passengers, his vehicle lost control and fell into a deep gorge. Thankfully, Vikas survived, but he suffered fractures in both legs. For three months, he was confined to bed at home, there being his wife, Mrs. Neema Devi, and their two children. The family's financial situation became so dire that Vikas did not have money for treatment, there was no ration at home for food, and his daughter's name was removed from school due to non-payment of fees, leaving her at home. They had not paid rent for their room for a long time.

On June 20, 2023, a request was made to honorable members of the community and the general public for help for the family.

The collage contains the following elements:

- Top Left:** A photograph of Vikas Kumar lying in bed with his wife, Neema Devi, and two children.
- Top Middle:** A medical certificate from Rajkotiya Dool Medical College, Dehra Dool. It states that Vikas Kumar, aged 30 years, was admitted on 20/03/2023 and discharged on 04/07/23. The certificate is signed by Dr. Pawanesh Kumar.
- Top Right:** A discharge slip from the same hospital, detailing the patient's condition and instructions for home care.
- Bottom Left:** A Union of India Driving Licence for Vikas Kumar, issued on 14-03-2019 and valid until 13-03-2039. The licence holder's name is VIKAS and the father's name is KAILASH.
- Bottom Middle:** An X-ray image showing fractures in both of Vikas Kumar's legs.
- Bottom Right:** An Aadhaar card for Neema Devi, issued on 23/09/1991. The card includes her name, date of birth, and gender (FEMALE).

Wednesday, July 12, 2023

The Samoon family delivered two months' worth of rations to Vikas's family at their home and assured them that additional support would soon be provided for expenses such as their daughter's admission, room rent, and medical costs.

Thursday, July 19, 2023

Pihu was very happy to go back to school. Her father, Vikas Kumar, had suffered fractures in both legs due to a road accident and had been bedridden for three months. The Samoon Foundation team took immediate action by re-registering Pihu at school, paying the outstanding fees, and covering the advance fees for the next year. They also provided a cheque for ₹11,000 for Vikas's medications and delivered two months' worth of rations, assuring the family of continued support in every possible way.

The Samoon family has been playing a leading role in social work in Uttarakhand for several years, made possible through donations from its esteemed members. For Pihu's family, the Samoon Foundation received a donation of ₹20,000, which includes ₹10,000 from Arvind Ji in Dubai and ₹5,000 from Ajay Rawat Ji in Pipalkoti.

Date – Thursday, July 19, 2023

Under the program "Our Connection with Trees," a goal was set to plant 1,000 saplings .

Like every year, in 2023, the Samoon Foundation is preparing to launch tree planting programs in various locations under its banner to celebrate of the famous folk festival 'Harela' in 'Devbhumi' Uttarakhand, starting on July 23 from the village of Manjoli in Tehri Garhwal.

The Samoon Foundation team initiated the planting of a belpatra sapling in the courtyard of Maa Surkanda, along with the planting of 125 fruit and grass plants in village Panchayat Manjoli under the program 'Our Connection with Trees,' marking the beginning of the goal to plant 1,000 trees.

Villagers planted the saplings provided by the organization on their private land and committed to caring for these plants until they grow into trees. The program was inaugurated by Anganwadi worker Mrs. Haripriya Jardhari, who raised awareness among the villagers about the importance of trees and their care.

Members of the Samoon Foundation team present at the event included Mr. Jitendra

Jardhari, Mr. Shanti Prasad Joshi, Mr. Veerendra Jardhari, Mr. Manveer Kandari, environmentalist Mr. Vijay Singh Jardhari from the Seed Saving Movement, Anganwadi worker Mrs. Haripriya Jardhari, assistant Anita Kandari, Mr. Gamhir Singh Jardhari, village head representative Mr. Hukam Singh Jardhari, Women's Mangal Dal President Mrs. Sushila Jardhari, Deputy Head Kavita Jardhari, and all the mothers and youth of the village. They expressed their gratitude and appreciation for the Samoon Foundation's initiative.

SAMOON FOUNDATION
of and through the Organization of Women

Date – Thursday, July 19, 2023

Outside Medanta in Gurugram, Samoon's founder Mr. Vinod Singh provided breakfast to two children who were polishing shoes.

Outside Medanta in Gurugram, Samoon's founder, Mr. Vinod Singh, was having breakfast when two young boys approached him, asking, "Sir, can you get your shoes polished?" Mr. Vinod Singh replied, "I don't need my shoes polished, but would you like some breakfast?" The boys said they didn't want breakfast but asked for flour, explaining that they had an elderly grandmother at home for whom they would make bread.

Mr. Vinod Singh asked where their parents were, and the boys replied that their parents had left them with their grandmother and that they lived in a makeshift hut, taking care of her. Mr. Vinod Singh was compelled to reflect on how any parent could leave their children behind.

He invited the boys to have breakfast with him and then took them to a nearby store where he provided them with the necessary rations. After that, he booked an auto to take them home. The boys invited Mr. Vinod Singh to their hut for a meal, but due to his busy schedule, he couldn't go, although he genuinely wished he could.

The brief encounter felt like a long-standing connection with the children, and their faces radiated joy and peace. Moments like these remind us to share small joys with others, and believe me, the inner happiness you receive cannot be expressed in words.

Samoon Foundation transferred a small amount of ₹15,000 to the account of Miss Babita, daughter of the late Shobhat Singh.

Date: Wednesday, July 26, 2023

We received a letter from Mrs. Munni Devi, a resident of village Hitara, post Dharsu, district Uttarkashi, on July 25, 2023. Her financial situation is not good since her husband, Shobhat Singh, passed away a long time ago. She has two young children who are still studying. Water is leaking from the roof of her house, causing difficulties for the family at night. To assist Mrs. Munni Devi, Samoon Foundation has appealed to all its members and the general public for help.

Singh, by Samoon Foundation. Munni Devi's husband passed away when Babita was just 3 years old, and since then, the family has been forced to live a life of hardship. The poor family's home is in a dilapidated condition, and they are making efforts to repair it, but they do not have enough money for the necessary renovations. In response to the family's appeal for help, the organization transferred ₹15,000 to Babita's account. We wish the family well and hope for a bright future for them.

Date: Saturday, August 5, 2023

Mr. Vinod Singh Jethudi, the founder of Samoon, bought sandals for a poor boy walking barefoot.

While leaving for some work in Rishikesh, founder Mr. Vinod Singh Jethudi noticed a little boy walking barefoot in the pouring rain, struggling to walk. He called out, "Hey little one, what's wrong? Why are you walking like that?" The boy turned around and stopped. When Mr. Jethudi approached him, the boy explained that small stones on the road were hurting his feet.

Mr. Jethudi asked, "Why aren't you wearing sandals?" The boy replied, "I don't have money to buy sandals. After my father's death, my mother barely earns enough to buy groceries, so I walk without them." Mr. Jethudi then asked, "If I buy you sandals, will you wear them?" The boy quickly said yes and led him to a nearby shop, where Mr. Jethudi bought him a pair of sandals. As the boy ran off wearing them, his joy was palpable, as if Mr. Jethudi had given him a precious gift worth millions.

Mr. Jethudi felt a deep sense of happiness and wanted to share this experience, hoping others would also help those in need around them and feel a unique sense of self-satisfaction.

The Samoon team delivered three months' worth of rations and a box to Ramdhan Ji, who lives in a hut in the forest.

Ramdhan Ji, a resident of village Tat, Rudraprayag, is 72-years-old and has no children or family. He lives alone in a small hut in the middle of the forest with his buffalo. Ramdhan Ji mentioned that repairing his house wouldn't be of much use, but if he could get a box to store his food supplies, it would be a great help, as wild animals like monkeys, rats, and cats often eat whatever food he has.

The Samoon team took immediate action on Ramdhan Ji's request and delivered a box along with rations for the next 2-3 months to his home.

A small assistance amount of ₹16,000 has been transferred to the account of Mrs. Indu Devi, the wife of the late Gautam Bhandari Ji, who lost his life in a natural disaster.

Gautam Singh Bhandari, a resident of village Badal, Tehri Garhwal, was working as a cook at a rafting camp when a sudden flood caused by a cloudburst swept him away while he was cooking on August 7. Some of his colleagues managed to save themselves, but Gautam did not get a chance to escape and fell victim to this calamity. After extensive searching, his body was found stuck in a tree about one and a half kilometers away.

Gautam Bhandari Ji leaves behind his wife and an innocent two-and-a-half-year-old son. The family now faces overwhelming challenges and worries about their future. Mr. Hukam Singh Bhandari, the former head of the village, has sent a request for help to the Samoon Foundation.

We appeal to all those who can extend their support to the family according to their means. A small assistance amount of ₹16,000 has been transferred to the account of Mrs. Indu Devi for the family of the late Gautam Bhandari Ji. We express our condolences to the family and pray to God to give them strength to overcome this sorrow.

Today, the Samoon Foundation provided a cheque of ₹3,000 each for the education of three children—Niharika (12th grade), Nidhi (11th grade), and Anirudh (4th grade)—of Mr. Pramod Vyas, a differently-abled resident of Rishikesh.

Mr. Pramod Vyas, a resident of Dhalwala, used to support his family by working as a priest. Everything was going well until he was involved in a road accident in 2015. While he survived, he was left paralyzed on one side of his body, making him unable to work. Due to the responsibilities of educating and providing for his three children, Mr. Vyas reached out to the Samoon Foundation for assistance. In response, the Samoon Foundation provided a total cheque of ₹9,000 for the education of all three children.

The Samoon Foundation has provided a scholarship of ₹3,000 to Aarushi and Keshav Dawan to continue their education

Aarushi and Keshav Dawan are two remarkable siblings from the village of Chilpad, Tehri Garhwal. Orphaned at a young age, they faced significant challenges. Their loving uncle, Bhim Singh Dawan, has struggled to provide for both, his family and them. For the past three years, the Samoon Foundation has been a ray of hope, ensuring that their education continues. This year, recognizing their dedication and potential, we are proud to award each of them a scholarship of ₹3,000. The Samoon Foundation supports underprivileged students like Aarushi and Keshav every year, making quality education accessible to them.

The Samoon Foundation has transferred a scholarship of ₹1,25,019 for the education of another underprivileged yet talented student, Faizan Khan, towards his college fees.

To ensure that no child is left behind due to financial or social constraints, we all need to come forward to help educate the underprivileged children of our society. For the past 12 years, the Samoon Foundation has been providing scholarships to support poor and deserving students in their education.

Faizan Khan aspires to become an engineer but was unable to pay his B.Tech fees due to his family's financial situation. Upon requesting assistance from the Samoon Foundation, the organization promptly transferred Faizan's entire fee of ₹1,25,019 (one lakh twenty-five thousand nineteen rupees) to his college.

Faizan Khan's complete fees were sponsored by one of our esteemed donors, and we have not only hope but full confidence that Faizan will excel in his studies, improve his family's financial condition, and, as a successful individual, help others in need as well.

Date: Wednesday, October 25, 2023

On October 25, 2023, the Samoon Foundation provided a small assistance amount of ₹16,000 to support the education of children from another underprivileged family, and assured further assistance for their education.

Due to unemployment, poverty, and helplessness, three innocent children lost their mother. The poor family appealed to the Samoon Foundation for help in educating and supporting the children.

Poonam Devi, a 32-year-old resident of village Dobari, Bachhelikhal, Tehri Garhwal, suddenly fell ill. Before the family could respond, she passed away. It was reported that Poonam was pregnant, and due to a lack of funds, the family resorted to buying medicine from a nearby pharmacy, but she did not survive the next day.

Living in a wrecked mud house, her ailing husband, Jitendra Kumar Dhyadi, struggled to provide for the family through labor. With Poonam's sudden death, Jitendra, along with their three children (Shivangi, 9 years; Saumya, 7 years; and Vaibhavi, 5 years) and their elderly grandmother, were in shock. Jitendra was unable to work due to the need to care for the children and also because of the pain in his spinal cord, preventing him from seeking treatment or employment. Therefore, the family turned to the Samoon Foundation for help with the children's education and upbringing.

The Samoon Foundation team visited the affected family at their home and assured them of all possible assistance. On October 25, 2023, the Samoon Foundation provided a small assistance amount of ₹16,000 and promised further support for the children's education.

By helping those in need within our community, we not only bring about positive change in

their lives but also play a vital role in building a stronger society, fostering consensus, harmony, and prosperity. For the past 13 years, members of the Samoon Foundation have been engaged in the noble work of serving humanity and have assisted hundreds of families to the best of their ability.

'SAMOON FOUNDATION'

of and Attributed Organization of Ar

Date: Saturday, November 11, 2023

As every year, the Samoon Foundation celebrated Diwali by sharing joy with underprivileged families this year as well.

In various locations in Rishikesh, including Tapovan, Laxman Jhula, and Shyampur Khadri, selected families received Diwali kits from the Samoon Foundation. These kits included worship materials, sweets, firecrackers, lamps, and oil wicks, which were prepared and distributed by the Samoon team. Many people are still forced to live in darkness during this festival of lights, so our effort is to brighten their lives with a small #Diwali_Samoon, bringing them joy and light.

Diwali Samoon by the Samoon Foundation in Tehri Garhwal

After distributing #Bagwali_Samoon in Rishikesh, the Samoon Computer Training Institute in Akhodi, operated by Vikram Shah and his team, delivered #Bagwali_Samoon to extremely impoverished families in Akhodi, Tehri Garhwal. The Diwali kits included new clothes, sweets, firecrackers, lamps, oil wicks, and more.

The Samoon Foundation family shares the joy of Diwali every year with some underprivileged families alongside their own, as this festival is about sharing happiness. The more we share joy with others, the more we feel joy ourselves.

If our small efforts can bring a little more light to the lives of those in need around us during this festival, then we truly understand the significance of Diwali.

The Samoon Foundation provided a small assistance amount of ₹16,000 for the treatment of kidney patient Mahavir Rana.

Mahavir Singh Rana, a 32-year-old resident of Soniyat village, Post-Malgaon, Patti-Hindaun, Tehri Garhwal, first suffered a brain hemorrhage and then both of his kidneys failed. He is currently living on dialysis at AIIMS Rishikesh. The doctors have advised a kidney transplant, which is estimated to cost around ₹20 lakh. Dialysis is performed at AIIMS Rishikesh every Tuesday, Thursday, and Saturday, for which Mahavir has rented a room in Gumaniwala at a cost of ₹3,500 per month. Additionally, he incurs a daily transportation cost of ₹500 for traveling to and from the hospital.

To care for Mahavir, his wife and two young children also live with him in the rented accommodation. The Samoon Foundation provided a small assistance amount of ₹16,000 for Mahavir Rana's treatment and assured further support for his ongoing medical care.

The Samoon Foundation provided a small assistance cheque of ₹11,000 for the education of the children of another artist who tragically passed away in an accident.

Artists play a crucial role in the preservation and development of culture. Their significant contributions to the enrichment and creation of our rich language, literature, and culture are invaluable. Artists dedicate their skills and talents to bring music, theater, dance, and various art forms to the public, yet the economic development of Uttarakhandi artists has not reached the level it should have.

Sometimes, when artists who have devoted their entire lives to the preservation of culture face misfortunes, their families and children go through very difficult times. Without anyone to care for them, the inability to cover the educational expenses of these artists' children can lead to interruptions in their education.

The Samoon Foundation remains committed to supporting Uttarakhand's artists and their families in every possible way. Previously, the organization has also provided assistance for the treatment of some artists and financial support for the education of others. In this context, the Samoon Foundation has provided a small assistance cheque of ₹11,000 for the education of the children of another artist who passed away in an accident.

An amount of ₹1 lakh was directly transferred to the account of kidney patient Ankit by generous donors, while a check of ₹51,000 was provided by the Samoon Foundation.

Ankit Meher, a 22-year-old young man from the village of Bacheti, P.O. Jalna, Almora district, was fighting for his life at AIIMS Rishikesh, holding big dreams for the future. Both of Ankit's kidneys had failed, and the doctors had informed him that a kidney transplant was the only solution. His father wanted to save his son's life by donating his own kidney, but the family did not have enough money to cover these expenses. Despite having an Ayushman card, a significant amount of money was still required.

Thanks to the efforts of Samoon Foundation's esteemed senior member Hemant Nyal (Hemu Bhai), who is also from this village and works in Dubai, a total of ₹1.5 lakh has been raised with the support of Uttarakhandi and non-Uttarakhandi families in Dubai. Out of this, ₹1 lakh was directly transferred to the victim's family account by generous donors, while a check of ₹51,000 was provided by the Samoon Foundation.

A check of ₹11,000 was provided as a small assistance amount for the treatment of a journalist suffering from a serious illness.

No one can predict what will happen next or what difficult days one may have to face. Once a well-known journalist who tirelessly reported on the joys and sorrows of others, he found himself in a challenging situation due to a severe illness. The problem was that he didn't even have money for his own treatment.

Through a respected member of the Samoon family, the journalist's unfortunate situation came to light. The Samoon team promptly visited him at the hospital and provided a check of ₹11,000 as a small assistance for his treatment.

Another Samoon Skill Development Centre was inaugurated in Vinakkhal, Khwada, Bhilangna, Tehri Garhwal, with the aim of making rural women and girls in Uttarakhand self-reliant and empowered.

For the past five years, the [Samoon Pariwar](#) has been establishing [Samoon Skill Development Centre](#) in various locations to train women in sewing and weaving, helping them become self-sufficient. In this context, the Samoon Foundation officially inaugurated another [Samoon Skill Development Centre](#) on December 25, 2023, in Vinakkhal, Khwada, Bhilangna, Tehri Garhwal, where rural women will receive free training to become self-reliant and empowered.

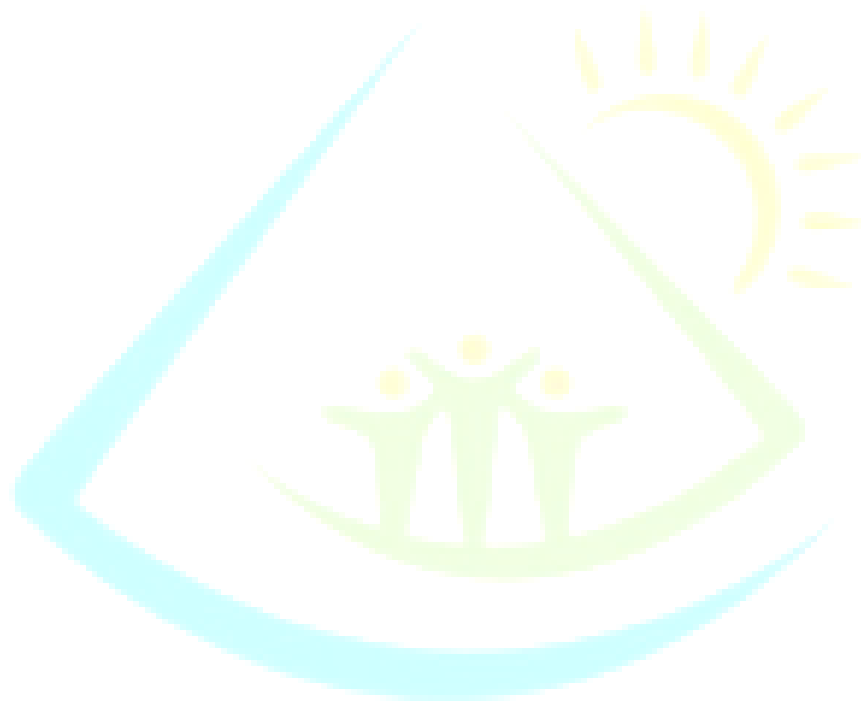

The event was attended by several dignitaries, including Mr. Kuldeep Singh Rawat - Village Head of Khwada, Mr. Sattawan Singh Rawat - Social Activist, Mr. Chandan Singh Rawat - Ex-Serviceman, Mr. Sohan Bhatt - Social Activist, Mr. Netra Lal - Social Activist, Mr. Sewanand Semwal - Social Activist, Mr. Hukam Singh Rawat - Social Activist, Mrs. Mamta Devi - Trainer, Mr. Prem Singh Shrikoti - Social Activist, and Mr. Kriti Singh Rawat - Social Activist, along with women and girls from nearby villages.

Vikram Shah, the director of the computer and sewing centre, informed the attendees about the organization, stating that it contributes to social service activities not only in Tehri Garhwal but also in other districts. To date, hundreds of women and girls have benefited from the previous five sewing training centers.

ZAMOON FOUNDATION

Relief and Rehabilitation Organization of A/C

Date: Wednesday, January 10, 2024

As in every year, this year too, the Samoon Family distributed blankets to those in need who spend their nights under the open sky in this biting cold.

During the harsh winters of December and January, while we enjoy our warm clothes, some people are forced to spend their nights outside. Unfortunately, every year, many lives are lost due to the cold, especially among children and women. For the past eight years, the Samoon Family has celebrated the New Year with a blanket distribution program, and this year was no different, as blankets were distributed to those spending nights in the cold.

The blanket distribution program started on January 8, 2024, in Rishikesh, where blankets and warm clothes were given to the extremely poor and helpless. On January 10, 2024, the Samoon Foundation again distributed blankets to needy families in Shyampur, Khadri, Rishikesh.

Earlier, on the night of January 9, the Samoon Foundation team covered people sleeping on the roadside in I.D.P.L, CT Gate, Triveni Ghat, Gumanivala, and Koyal Valley with warm blankets. Additionally, on January 10, during the daytime, blankets were distributed to identified needy families in rural areas.

The Samoon Family inaugurated its 7th Samoon Skill Development Centre on January 13, 2024, in the land of Lord Kedarnath, Gram Sabha - Nala, Block - Ukhimath, District - Rudraprayag.

The Samoon Family inaugurated its 7th Samoon [Samoon Skill Development Centre](#) on January 13, 2024, in the land of Lord Kedarnath, Gram Sabha - Nala, Block - Ukhimath, District - Rudraprayag.

The inauguration ceremony was attended by the chief guest, Mr. Chandra Singh Negi (social worker), Village Head Mrs. Kalpeshwari Devi, former Women's Group President Mrs. Pushpa Devi, Centre Director Miss Shakshi, and representatives from the Samoon organization, Vikram Shah and Jitendra Jhardhari, along with mothers and sisters from the village.

This centre is being established with the support of esteemed members and followers of the Samoon Family, who contribute monthly donations, thus offering their small contributions as part of the charitable work being done by the organization.

Key monthly donors from the Samoon Family include Ramesh Indradutt Naithani, Vinod Jethudi, D.S. Panchpal, S.S. Gosai, S.P. Dobhali, Sunil Nautiyal, Virender Negi, Naveen Thapliyal, Pawan Bhatt, Vijay Mohan Paniyuli, Ramesh Mohan Paniyuli, Raghuveer Singh, Dharmendra Rawat, Anurag Chauhan, Rakesh Rawat, Ajit Kumar Karsharma, Manohar Singh Rawat, Surendra Dhasmana, Ashish Jethudi, Dhani Veer Bhandari, Vinny Jethudi, Ram Gopal Semwal, Dinesh Naudiyal, Manoj Paliwal, and Dheerendra Jethudi, among others.

SAMOON FOUNDATION
Social and Moral Organization of Nation

Date: Monday, February 12, 2024

The Samoon Family provided a small financial assistance check of ₹17,000 for the treatment of Miss Bindi, who is bravely battling a serious illness like cancer.

The Samoon Family provided a small financial assistance check of ₹17,000 for the treatment of Miss Bindi, who is bravely battling a serious illness like cancer.

Miss Bindi, a 12th-grade student from Andrapa, Gairsain, Chamoli Garhwal, is fighting a life-threatening illness at AIIMS Rishikesh. Her father passed away during her childhood, and her mother has been struggling to support the family with a widow's pension. The confirmation of Bindi's cancer diagnosis brought a heavy burden of sorrow upon the family.

Although Bindi is receiving treatment through an Ayushman card, the impoverished family does not have enough money for the travel expenses from Gairsain, room and food costs in Rishikesh, and for medications. Upon learning about the Samoon Foundation through someone, her mother submitted an application at the organization's office. The foundation took immediate action and provided a small assistance check of ₹17,000 on February 12, 2024, assuring further support as needed.

A scholarship of ₹16,200 has been transferred in the name of promising student Anil Lal to his school.

Anil Lal, a bright student at Samoon Adarsh School, has completed classes 4 and 5 and is currently studying at "Gyan Jyoti School," residing in a hostel away from his village. Anil is dedicated to his studies and maintains 100% attendance in class. Five years ago, he lost his mother, and since then, his father has also lost his mental balance. Anil aspires to succeed in his studies so he can afford treatment for his father, as they are struggling financially and cannot manage either his education or his father's healthcare.

This year, Anil's hostel fees amounted to ₹16,200. The Samoon Foundation, alongside running its own school, has been providing scholarships to talented but underprivileged children for the past 12 years, helping hundreds of students so far. In this context, a scholarship of ₹16,200 has been transferred in Anil's name to his school.

SAMOON FOUNDATION
of and Around Organization of A

Date: Sunday, March 10, 2024

On March 10, 2024, Samoon Foundation inaugurated its 8th Samoon Skill Development Center in Gram Sabha Kurn, Patti - Bharpur, District Tehri Garhwal, and its 3rd Samoon Computer Training Institute and 1st Samoon Excellence Coaching Centre in Saud village.

For the past 14 years, Samoon Foundation has been working in the fields of education, skill development, women's empowerment, environmental protection, and healthcare in Uttarakhand. The foundation aims to reach remote villages to benefit those in genuine need by providing free *computer training* for youth and operating *sewing and knitting training centers, coaching centers, and schools* to make women self-reliant.

In this context, on March 10, 2024, Samoon Foundation inaugurated its 8th *Samoon Skill Development Center* in Gram Sabha Kurn, Patti - Bharpur, and its 3rd *Samoon Computer Training Institute* and 1st *Samoon Excellence Coaching Centre* in Saud village.

A large number of rural women, girls, and students participated enthusiastically, showing eagerness to enroll in sewing, computer, and coaching programs.

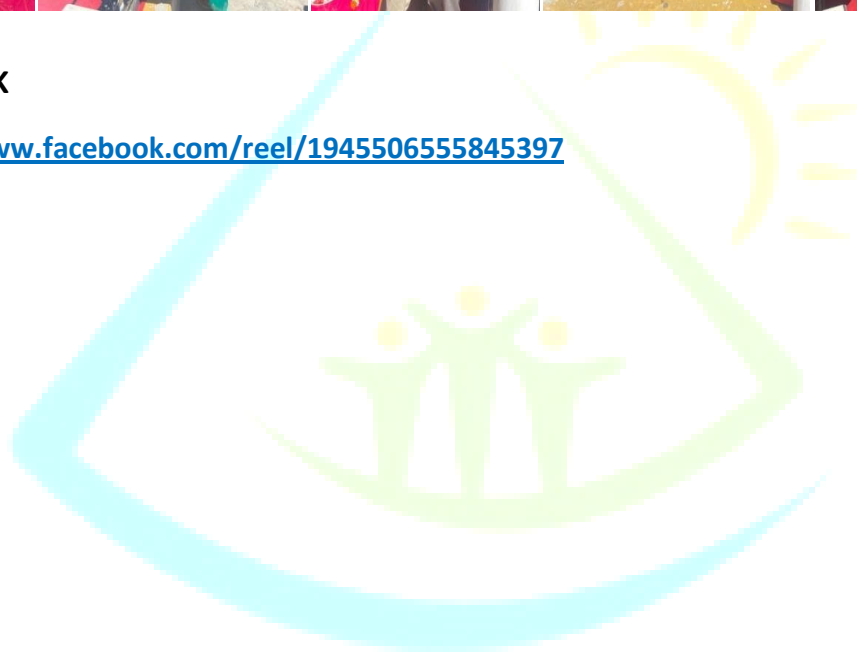

Among those present were former Gram Pradhan Jagdish Singh from Kurn, former Gram Pradhan Khushhal Singh from Saud, former Principal Ghamand Singh, MLA representative Mahendra Gusain, former Pradhan of Danad Harshpal, current Gram Panchayat member Shashi Devi from Kurn, current Gram Panchayat member Dheerendra Rawat from Saud, along with Samoon Foundation officials Veerendra Negi, Dheerendra Jethudi, Subhash Jethudi, Manohar Singh Rawat, Manoj Paliwal, and center directors Pinky Devi and Vijender Kumar.

All the villagers, social workers, and public representatives expressed their gratitude to *Samoon Foundation* for opening these centers and extended their best wishes for the maximum benefit of rural youth, students, women, and girls through these initiatives.

'AMOON FOUNDATION'

of and Around Organization of Sri Lanka

Date: Sunday, March 17, 2024

The Samoon team visited an aged mother's house and took her grandson to the hospital to have his fractured leg treated, purchased medicines, provided rations for the next two months, and gave ₹1500 in cash for further medications.

The elderly mother was seen begging in Rishikesh by Rajni Rana, a member of the Samoon family. Rajni approached her to ask what problems she was facing at her age that forced her to beg.

The elderly woman explained that her husband had passed away long ago, and she lived with her daughter. However, her daughter's husband also died, leaving behind a son who was married with two children. Unfortunately, the son's wife, who was the elderly woman's daughter-in-law, also passed away, which drove the son to madness, and now he has disappeared.

This situation forced the elderly woman to beg, as her small grandson had a fractured leg and the poor family could not afford the treatment. To verify this information, Samoon family member Jitendra Jerdhari immediately visited the elderly woman's home and confirmed the situation.

At that time, the family needed assistance for the treatment of the child's fractured leg and some rations. The Samoon family appealed for help on social media, and for four days, the Samoon family team visited the elderly mother's home, took her grandson to the hospital for treatment, purchased medicines, provided rations for the next two months, and gave ₹1500 in cash for future medications, assuring them of further assistance as needed.

Date: Saturday, March 31, 2024

The Samoon Foundation provided immediate financial assistance of ₹10,000 to Ankita's family for her medications.

The Samoon family received a plea for help from a poor family in this situation: Ankita's husband works as a driver, and their income is very limited. A significant portion of their income is spent on Ankita's treatment. After two surgeries, Ankita developed wounds in her abdomen. Due to the family's weak financial condition, they often had to stop her medications.

The family contacted the Samoon Foundation and requested assistance. In response, the foundation took immediate action and provided ₹10,000 in financial support for Ankita's medications. Thanks to the assistance from the Samoon Foundation, her medication became regular, and her health is now improving.
